Fort McMurray, AB: Autopro Automation's 2nd Annual Fort McMurray Public School District Robotics Golf Tournament is this Friday at MacDonald Island's Miskanaw Golf Course!

The event begins with a Shotgun Start at 2:00 p.m. followed by robotics team demonstrations in the Fireside Room, MacDonald Island from 5:30 p.m. to 6:30 p.m. Guests and visitors are invited to try their hands at operating these world class robots!

Presentation of prizes, awards and the Autopro Cheque Donation will follow at 8:00 pm.

Autopro Automation is the title sponsor for the FMPSD Robotics Golf Tournament, and is responsible for organizing the event which also includes a dinner and silent auction with donations from Suncor, Total, Tervita, Thompson, and Autopro to name a few!

"I continue to be amazed when I see what our local Fort McMurray students have accomplished through this robotics program," said Jerome Rice, Business Development Manager with Autopro. "As the students learn about the unlimited possibilities surrounding these technologies it will enrich their life learning experiences and influence goal settings. Autopro is a proud sponsor of the community and is excited to support tomorrow's leaders in these technologies. In the future we will have the great opportunity to have some of these bright minds be a part of our business success in the region."
