

# Information Release

*Doing What's Best for Kids*

## For Immediate Release

April 15th, 2015 - FORT MCMURRAY, AB

Is your grade 6 student interested in what junior high school will be like? Are you wondering about academic standards and what program options are available for your child? Then please join us for an information meeting on the daily life of a junior high student!

**April 20, at 7:00 pm**, Ecole McTavish Junior High School will host an information meeting for parents of all Fort McMurray students in Grade 6 looking at what Ecole McTavish offers.

Principal Scott Barr: "This is a great way you to come out and see our school, hear our presentation for students and what we do during their school tour, in addition to answering any questions you or your child may have about junior high school and what is offered. This night is very well attended and parents come away with answers to many of their questions about moving to junior high. Some of the topics discussed include; Academic Excellence at EMT, Performing and Fine Arts Programs, Engineering and Robotics Options/Clubs, Athletic Academy and Sports Programs (Hockey, Soccer, and Dance Academies with on-site registration!) as well as our Flex Program. Information on daily life of a student at our school will also be shared and much much more!"

We look forward to having you join us on **April 20th at 7:00 pm** for a great night of information and sharing why becoming a part of our Ecole McTavish family is the best place for your child to continue their education!

Where: Ecole McTavish Junior High School, 352 Parsons Creek Drive
