TRANSIT STUDENT GUIDE

WELCOME TO RMWB TRANSIT!

As a student, you and everyone else have the right to a safe and respectful ride on Municipal Transit. Riding the bus may be new for you - this guide will teach you how to Ride the Right Way. Read on to learn more about the Transit Code, how to stay safe, bus fares and passes, and school route schedules.

TRACKING YOUR BUS

You can now watch your bus's progress in real time using the Transit App or Google Maps. Please see page 4 for School Special schedules. If you miss your School Special bus, you will have to wait for the next regularly scheduled bus.

GETTING ON AND OFF THE BUS

- Be safe while waiting - stand back from the curb so your bus can pull over safely.
- Form an orderly line when boarding your bus (front door), and let passengers exit first.
- Make sure you pay your fare (\$1.50 or one ticket) or show your bus pass to the driver.
- Leave space for everyone; move to the back of the bus when boarding.
- Be courteous and allow your driver to concentrate on operating the bus - please don't move around when the bus is moving, and hold onto the handrails when standing.
- Exit from the back door and allow those with mobility needs to exit first.
